## INFORMATION FOR OUR CUSTOMERS

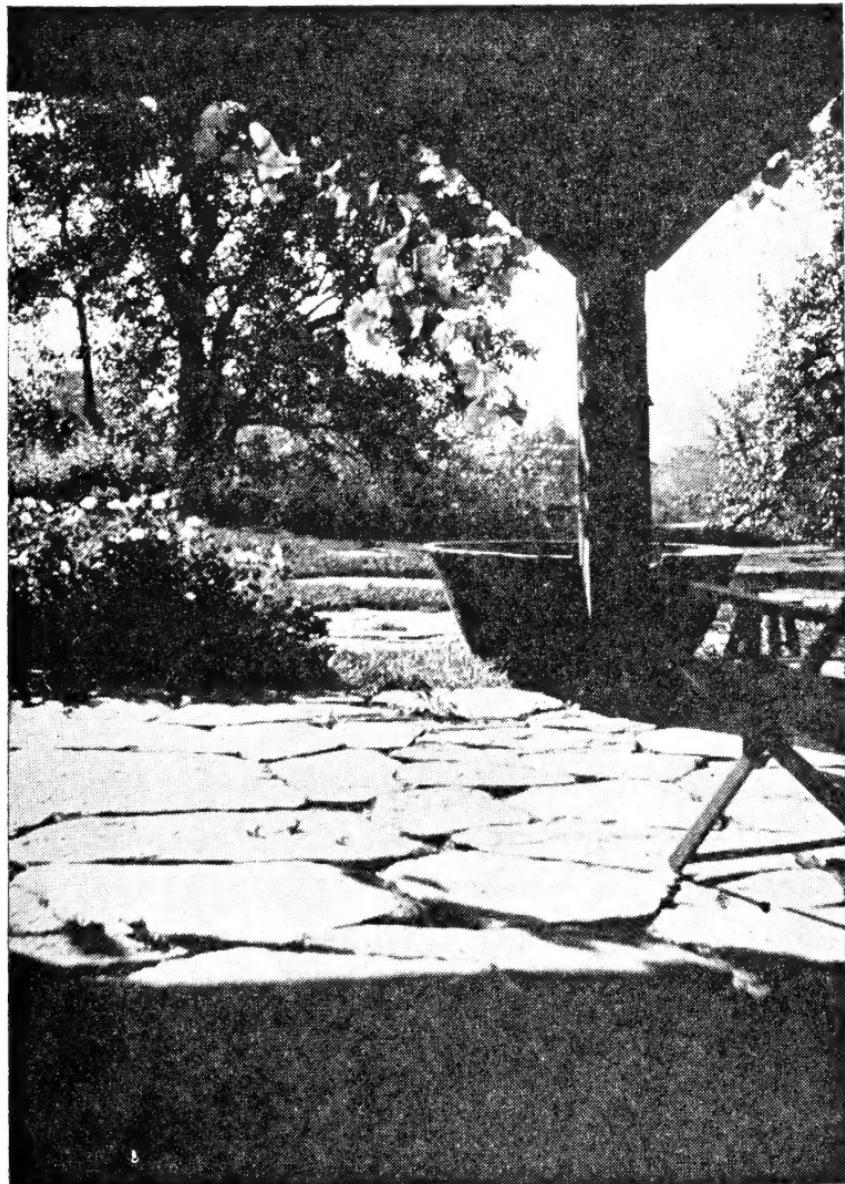

Williamsburg is situated eight miles from Northampton on the Berkshire Trail, Route 9. The nursery is reached by crossing the cement bridge by the library in the centre of town, turning left and proceeding straight to the top of Village Hill.

We aim to furnish only healthy, vigorous plants correctly named to the best of our knowledge. We can not assume responsibility for damage to plants in transit or for customers subsequent failures with plants due to weather, adverse soil conditions or improper handling. We gladly rectify mistakes for which we are responsible, if errors are reported within 10 days of receipt of plants.

We do a strictly retail cash business and bills are due when presented.

Orders may be sent parcel post or express collect when desired with small additional charge to cover packing.

No orders shipped for less than \$1.00.

INTRODUCING MY NEIGHBORS — Phebe and Bob Collins of the Cherry Loom, Master-weavers.

IF YOU LOVE OLD COLONIAL BED-SPREADS or need a correctly made coverlet for your Early American bedroom, here is your opportunity to have one made personally for you. You will own an heirloom you may be proud to hand down to your children and grandchildren.

WRITE TO THE CHERRY LOOM or better still call on them and discuss the patterns, colors, sizes and prices that will fit your particular needs. They weave smaller pieces too — table scarves, luncheon sets, and the like — that are just as well made and desirable as the bedspreads.

WHY NOT KEEP THIS SLIP as a reminder of where to get fine hand-woven articles, made for you? The address is Phebe Collins, Williamsburg, Mass.
